### WORKING WITH OTHERS

#### Observation Checklist

**Unit of Competency** CCUECOR02C Working with Others

This observation/demonstration involves knowledge, attitude, skills as well as employability skills, required for working with others.

#### Your Task

Students will work with a variety of people in your class and be involved in a series of role play scenarios. By improvising these scenarios, you will be forced to react spontaneously to an array of situations. These role plays will assist us to work harmoniously and effectively with others in a work environment.

Selection of Role Plays:
