

Sports

Aspley State High School is a fierce competitor on the sporting field. Despite our size, we produce competitive and winning teams in the full range of sports we offer.

Aspley State High School is a fierce competitor on the sporting field. Despite our size, we produce competitive and winning teams in the full range of sports we offer.

Our Sports Curriculum is made of the Year 8 sports program, Health & Physical Education elective programs in Years 9 to 12, Intra School Sport and Inter School Sport. For more information, please download:

- Sports Handbook (PDF 99kb)

- Awards (PDF 101kb)

All students are encourage to participate. Sport and physical activity is an integral part a student's health and personal development. It allows for the development of skills and knowledge to pursue healthy and active lifestyles.

In addition, students participate at a social, competitive and re-creative level - all of which contribute towards a students effective citizenship.

Intra School Sport

Intra School Sport includes Inter House Swimming, Athletics and Cross Country Carnivals. Dates for these carnivals can be found on the Sports Calendar.

All staff are involved in these events as officials or with the houses engendering spirit and participation. Staff are allocated a house and may wish to volunteer to be House Master/s or House Mistress/s for the year.

Year level co-ordinators may also organise various inter class competitions to meet the above aims at class level.

Inter School Sport

Aspley SHS is a member of the Central District-Metropolitan North Region as part of our Inter School Sport program. Students in Years 10, 11 and 12 compete Wednesdays from 1.15pm to 2.40pm.

Sports days for Year 9 competitions are held during the year and are on the School Sport Calendar. Form teachers for Year 9 are responsible for students at the various venues on those days.

Year 8 sport is organised between a sub-district comprising Aspley, Bracken Ridge, Earnshaw College and Sandgate State High School. This is conducted between 1.30pm and 2.30pm on Tuesdays.

Inter School Carnivals

Aspley SHS also competes in the District Athletics, Swimming and Cross Country Carnivals.

Representative Sport

Students have the opportunity to gain representative selection in the sports conducted by Queensland Secondary School Students Sports Association (QSSSSA) during the year. We strongly encourage and support students in these endeavours.

They may need to be selected in a Central District team to compete at Regional cluster days held throughout the year or nominate directly to trial at those cluster days. Please refer to the School Sports Calendar to find out the timing for the cluster days. When nominating for these trials, students are required to take with them a series of completed forms to allow them to participate. These forms can be downloaded from this site by below. As well as these forms, students have to get permission from the school to participate. This form is available from the sports department at the school and must be signed by the principal. These forms can also be accessed from the met north sport website and are also available on the intra school network on staff common.

Student Details form PDF 35.1 KB

Medical Details form PDF 14.4KB

Student Code of Conduct form PDF44.1KB

Sports trialled on those days are determined by QSSSSA sport convenors before the beginning of each year. Teachers may nominate to coach, manage and convene teams at a district/regional level. Nominations are called usually at the end of each year.

Various other sporting carnivals and competitions are participated in during the year as they arise depending on interest and availability of coaches and students:

- Vicki Wilson Netball Competition
- Bill Turner Cup (Soccer)
- Rugby League competitions
- Buchanan Cup (hockey)
- and others.

Personal Injuries

Physical activities, including sports, have inherent risks. Parents should be aware that the school does not have 'accident insurance' to cover medical or other costs in the event of accidental injury. The school recommends that parents should consider private insurance to ease concerns in this regard.

Parents wishing to make a claim for expenses resulting from injuries at school should make a written request to the Director, Legal and Administrative Law Branch (PO Box 15033, City East, QLD 4022). The request must outline the circumstances of the injury, the amount claimed and the reasons the parent believes the school caused the injury. Any such claims will be considered on their merits.

Acceptance of claims is based on demonstrated negligence on the part of the school, and is not automatic. Parents wishing to explore the options available to them should seek independent legal advice.
