

Senior School

Welcome to Senior School. Aspley State High School offers a number of options to students in their senior phase of learning – Years 11 & 12.

Welcome to Senior School. Aspley State High School offers a number of options to students in their senior phase of learning – Years 11 & 12.

Students may select a course of study that allows them to apply for an Overall Position (OP score) for entrance into tertiary study, choose Vocational Education & Training (VET) subjects that lead to work in various business or industries or a combination of both.

This section of the website provides information about the alternative VET courses available to our students.

For more information, please contact the Senior Schooling Head of Department Ms Lois Cuddihy on senior@aspleyshs.eq.edu.au.
