endless opportunities

Thank you for your interest in becoming a homestay provider for a Queensland state school through Education Queensland International (EQI). Homestay providers provide a safe, caring and supportive home environment for international students, so they can experience life in an Australian home and become 'one of the family'.

Your personal information is collected on this form for the purposes of assessing your application to become an approved homestay provider. EQI, through state schools, carefully assess each application to ensure our students are placed into safe and caring home environments. We may use the information you provide to verify the information with other parties. If any of the information you provide on this form changes, please inform the school as soon as possible.

If your application is approved:

- the information you provide will be recorded and stored at the school;
- may be stored and accessed by EQI;
- some of this information will be provided to international students we intend to place with you, their parents (and their agent, if they have one), so that they can learn about you and your home before the student arrives;
- where a student is placed with you:
  - relevant information collected on this form (and as updated), will be provided to the student (e.g. your House Rules Attachment 1), the student's agent (if they have one) and the student's parents;
  - there will be ongoing communication and an exchange of information, including your personal information, between the school, EQI, you, the student, the student's parents and the student's agent (if they have one);
- the information collected on this form (and as updated) will be used for the purposes of ongoing monitoring of homestay arrangements; and
- we will use the email addresses you supply to send all correspondence to you.

Details of non-approvals and any cancellation or suspension of a person's registration as an approved EQI homestay provider will be recorded and may be accessed by EQI and other state schools.

Please be aware: approved homestay providers and all adult residents of a homestay home must hold a current Blue Card or Exemption Card (limited exceptions apply, contact Blue Card Services for further information). You do not need to hold a current blue card or Exemption Card to apply.

As part of the application assessment process, school staff will verify the identity of all adults who reside in your home and either:

- make the necessary applications for Blue Cards/Exemption Cards; or
- notify Blue Card Services that you/adult residents of your home may be providing homestay for the school (if you or any adult residents of your home have already applied for or hold a current Blue Card or Exemption Card).
