How you can get to know us:

School Tour – Jacquita Miller, our Principal, will host a tour through classrooms so you can “feel” for yourself, the learning culture of our school. Jacquita runs these “on demand”, so please contact the office to book your tour. A maximum of six families can be accommodated on any tour.

Parent Ambassadors – We believe our students and families are the best “reference” for our school. We have a number of parents who are happy to talk to anyone who would like to “hear it from the parents”. If you are interested, please phone the school and we will put you in touch with one of our Parent Ambassadors.

Twilight Tour – An opportunity for working families to get a feel for our school and to meet students and teachers in the evening. Information about the school and a tour of key specialist facilities “in action” allows you to get a sense of the community here at Aspley. Parent and Student ambassadors and our magnificent teaching staff will be available to answer any questions you will have.

Family Sunday and Master Class – A very special “Aspley” experience. Your children are invited to register for two high school classes to experience the specialist teaching offered at our school. While they are in class, you are invited to participate in our popular “parent” master class to experience the type of learning and teaching your child will receive here at Aspley High. It is a wonderful opportunity for you to get to know the leadership team and other parents.

Enrolment Interview - Our enrolment interviews are targeted at getting to know you and your child. Senior leadership staff conduct all interviews. We spend time understanding your child’s learning needs and look to match your child with the Pastoral Care teacher we think will work best for your family.

Orientation Day – In the last week of Primary School, we host your child for a full day of immersion in our school. They are assigned their class and meet their teachers. It is a great day that sets up our students for a very successful transition.
