### Our initiatives include

These initiatives are focused on connections within and beyond our school. We understand that our students learn best in a relaxed and alert environment where high expectations are set with targeted support to scaffold our learners to meet their targets. We use our expert teaching and support teams to monitor progress and intervene when needed.

- Case management and support of at risk students
- Foundation and target classes in the timetable (Building Foundations, Strengthening the Core, Stretching the Aspley Leading Learners)
- Homework Club and Tutorials
- Teacher Aides and support in classrooms
- Academic monitoring and coaching
- Year 13 programs of engagement

**Queensland  
Government**
